

Monmouth County Library presents

# *It Gets Better*

an evening for LGBT teens

This evening is a springboard of the worldwide phenomenon YouTube project called **It Gets Better**. This is a campaign to support, inspire and mentor teen students who have been bullied, taunted or even taken their lives due to their sexual orientation.

Our guest speaker will be the inspiring **Paul Zilber**, who is a well known LGBT advocate/activist and tours the country speaking to groups. We will also be presenting the film: **Bullied: A Student, A School and a Case that Made History**, followed by a brief discussion. Come and visit the various resource tables that will be available by groups such as PFLAG and GLSEN of the Jersey Shore.
